Beginning a new season with just one regular, Coach Kraai was fac with the difficult task of building a new team,

Despite this fact the Pirates came up with a very good team and if had not been for poor weather and inexperience, the team would have co through with a few more wins.

The Pirates had a slow start, but gradually picked up momentum a went on to win two of the six games.

In the opener against Alta, they received their most serious injury of t season. Last year's reguler, Merlin Jensen, broke his collar bone.

With one game experience to their credit, the team met the Movi Raiders on the local field and were handed their second loss of the seas

Losing the first two games didn't seem to bother the Pirates for they traveled to Onawa and came up with a victory over this much favored team.

The highlight of the season was the Homecoming game in which the Pirates faced the Ida Grove Hawks. The team fought all the way through, but in the closing minutes of the game the Hawks came up with a 7-0 victory.

The last game played on the opponents gridiron was at C'ville. The Pirates rolled with a 47-6 score.

Two of the last three scheduled games were not played because of the flu epidemic in many of the schools. However, the team did play Marcus for the last game of the season. In spite of all their efforts, the team took their fourth loss of the season.

Holstein can be proud of this team for they always played a good clean game. Watch this team next year. They are going to be a tough contender.

The 1958 Piratettes, with only one regular returning, finished their successful season with 22 victories and only 3 losses.

In the season opener Holstein defeated Aurelia 56 to 49. The first loss, (68-63) in a clinic game, was to Blakesburg, a strong team from southeastern Iowa. From then on, the Piratettes kept rolling at a steady pace, defeating such opponents as Moville, Anthon, Odebolt, and Galva.

The Maple Valley Championship Trophy was captured by stopping Galva, 58 to 32. Holstein won the Sectional Tournament by defeating a strong Schaller team. The Piratettes did not stop there! In District Tourney play, they nosed out Kingsley 64 to 60 in a thrilling overtime, and were then state tournament bound. Although Holstein was defeated by Coon Rapids in the first round of the state tournament, Holstein High School is proud of the Piratettes. Their offensive average was *70.2* points per game, while the defense held their opponents to a *43.6* point average.

Once again the Holstein Black Pirates proved their basketball ability as they closed the 1957-58 season with a record of 15 wins and 6 losses.

With only two of the first five having much previous experience, the Pirates still managed to score 1,264 points to their opponents' 1,042.

After a loss to Aurelia in the first game of the season, the team went on to win the next five games.

This winning streak was ended when the Moville Raiders turned back the Pirates 46 to 42 in an overtime ball game.

The sixth win of the season was easily captured with a victory over Battle Creek 91 to 31.

The Pirates were handed two more defeats by Onawa and Odebolt.

Coming into the Maple Valley Tournament with six wins out of ten games, the Pirates drew Moville in first round play. An early season defeat by this team did not lessen the spirit of the Pirates, for they chalked up their seventh triumph of the season 68 to 46. After a second round victory over Correctionville, 47 to 35, the team went on to win the tournament by defeating Anthon 51 to 50.

The team continued to roll with 75% of the next six regular season games credited to Holstein.

In the first round of the sectional tournament at Cherokee, the Pirates met the Cherokee Braves. The favored Braves finally pulled away after a tied ball game at the half-time and put the Pirates out of the running, 63 to 56.

The Holstein High School Band, this year under the capable baton of Mr. Keith Nash, has shown its ability at several public appearances. The fifty-two members have joined together to produce entertainment at the annual student concert, the Homecoming show, the "Pops" Concert, and the Spring Concert. The marching band appeared at every home football game, as well as at Morningside Band Day in Sioux City. The band members are very proud of their new uniforms which were purchased by the Band Mothers this year.

Early in the fall, band officers were chosen from the Seniors in the band. They are: President, Carol Boothby; Vice President, Bonnie Blackmer; and Secretary-Treasurer, Nancy Henrichsen.

This year a record number of ensembles were entered in the small groups contest at Aurelia.

The band is looking forward to an equally successful year in 1958-1959.

HOMECOMING

Crownbearers: Debbie Conover and Michael Radke; *second attendants*, Nancy Henrichsen and Wendell Conover; *first attendants*, Carol Boothby and Bill Brandt; *King and Queen*, Merlin Jensen and Bonnie Blackmer.

Thursday evening, October 10, Merlin Jensen and Bonnie Blackmer were named King and Queen of the annual homecoming festivities. They were crowned following the Variety Show, "More Fun Than a Circus." The mixed chorus, holding lighted candles, formed the entrance for the Royalty, giving an impressive effect. The second attendants to the king and queen, Nancy Henrichsen and Wendell Conover, were the first to enter. They were followed by Carol Boothby and Bill Brandt, first attendants. Queen Bonnie and King Merlin were next, preceding the crownbearers, Debra Conover and Michael Radke.

Mr. Hompland crowned the attendants and Mr. Christie crowned the king and queen. After the coronation the mixed chorus sang the "Holstein Royalty Song" as the king, queen, and attendants left the auditorium. Homecoming activities resumed Friday afternoon with a pep meeting at 3:15. The pep band and cheerleaders opened the program with the school song and a cheer. Mr. Bernie Saggau of Cherokee gave a very inspirational talk to the students of Holstein High. The cheerleaders and pep band concluded the program with cheers and school songs leaving everyone in the spirit of the evening's game.

The highlight of the homecoming festivities, the Holstein-Ida Grove football game, concluded the activities for 1957. The homecoming royalty was presented at half time in a heart formation formed by the band. The Pirates played a splendid game, losing only in the final seconds of the game by a score of 7-0.

LIGHT THAT FUSE, presented by the *Junior Class,* was outstanding for its unique characters and rapid, fresh dialogue. Concerning itself with two young college men and a girl who attempt to create their own places in the world, the plot entails many humorous situations which arise on the first day of their business experience, as they organize Fixit, Incorporated, an enterprise dedicated to fixing the ills of the nation.

A decided lack of money in the company treasury necessitates the use of boxes which they find in their deserted office, instead of furniture. As Dave Thompson, the youthful president says, "Maybe the customers will think that genius is erratic." To this office come pretty Helen Duval, Dave's wealthy sweetheart, who wants to help the business along; Mr. and Mrs. J. Wiggenthal Hart, a hen-pecked husband and his stern wife; Rosemary Laurence, a problem in herself; her admirer, Artis L. Thorpe, secretary to the Laurence family, and rather detective-minded; Henry Oglevie, a manufacturer searching for a radio artist; and Phoebe Hornblow, a poet of unique ability, in answer to his prayers. Joining the vice-president of the firm, Froggy Edwards, and the secretary, Alice Gray, this group of people who need something fixed furnished a multitude of rib-cracking laughs.

Mystery, Mayhem and Murder

Nail-biting suspense, spectacular thrills, plus an entire evening of laughter were all combined in the Senior Class Play, "*Mystery, Mayhem, and Murder!*" Domineering Juliet Brighton suddenly decides to have their town house done over and informs her meek, mild-mannered husband Boniface they will open their summer home to escape the mess made by the workmen. Boniface rebels, but, as usual, he has to give in to Juliet. The latter sends their charming daughter, Wendy, on ahead to open up the house, but when Mr. and Mrs. Brighton get off the train in the country Wendy is not there to meet them. They go on to their summer home and wait for Wendy. When she does arrive she is brought in by a stranger—Verne Early. He claims he found her in front of a house up the road and that she was unconscious. When Wendy comes to she is very evasive about what happened. The Brightons settle down in their country place and that is when baffling and mysterious things begin to happen. Loud, mocking laughter is heard coming from upstairs when there isn't supposed to be anybody up there. A woman's body is discovered sitting in a high-backed chair in the living room. She has been murdered! Suddenly the lights go out and when they flash on again the dead woman's body has disappeared! As the plot unfolds the mysterious happenings are cleared up and the household is once again back to normal.

The 1958 Junior-Senior Prom

On Monday evening, April 21, 1958, the juniors and seniors of HHS plus invited guests enjoyed the social highlight of the year—the 1958 Prom.

The atmosphere of "Moonlight and Roses" and the dreamy music of Bob Conley's Combo made the evening a memorable one.

Fairy and elf servers appeared from time to time out of the big white house to serve the guests punch and wafers. The honored freshmen included: Sharon Wiese, Carol Bergmann, Virginia Kaster, and Judy Leonard, and Joe Clausen, Loren Clausen, David Vohs, and Mike Kelley.

In the center of the floor stood a sparkling blue and white fountain with white roses clinging to the base. Young couples made wishes at the wishing well in the rock garden. Silhouetted behind the band was a large yellow moon shining on a dancing couple.

The highlight of the evening was the crowning of the King and Queen. During intermission, Merlin Jensen, son of Mr. and Mrs. Eldon Jensen and Carol Boothby, daughter of Mr. and Mrs. Lloyd Boothby, were crowned Prom King and Queen of 1958.

At 12:30 the spell of the evening ended amid confetti and colored streamers. All juniors and seniors have many happy memories of this eventful evening.

On Friday, September 6, the senior class initiated the new tenderfeet of Holstein High. The freshmen were asked to come dressed as Jane, Tarzan, and as natives. The freshmen had an interesting day. It began with a liberal sprinkling of cornstarch and the smearing of lipstick. Everyone went to the park where the freshmen wrote, "WE LOVE THE SENIORS," on the bandstand, which they later had to scrub off with toothbrush and soap water. Some of the other events were egg fights, putting out a fire with squirt guns, and a peanut race. Later there was the judging of paddles and costumes. The winners received a lemon pie in the face. That evening a dance was held in the school lunchroom. The freshmen concluded their initiation by furnishing additional entertainment for the students at the evening party.

SENIOR TRIP

Bright and early on the morning of May 20, twenty-two seniors and the two sponsors, Mr. Gerber and Mr. Hompland, boarded a chartered bus and headed for Sioux Falls, South Dakota, for their annual Skip Day. As soon as they reached the city, the group went directly to the State Penitentiary where they were taken on a guided tour through the institution. They saw the mess hall and kitchen, the industry, living quarters, and recreational facilities of the prison which proved to be very interesting and educational. When the tour was completed, the group went downtown to Lemond's for lunch. The seniors were then free to do as they wished until 1 p.m., when they reorganized and took an hour tour of Fenn's Ice Cream Company which was very enjoyable and informative. Once again the group had free time until 4 p.m. After meeting at the bus, the group drove out to the Joe Foss Airport and saw planes coming in and taking off. By this time it was time to head for home. Once in Sioux City the group stopped to eat supper and then completed the journey home. All agreed that it was a memorable interval of their high school days.

And so, as another year ends, we leave Holstein High School, some of us with the anticipation of summer vacation and others realizing that we will not return. We must now make our place in the world. In this Moo we have tried to depict some of the memorable events of our last year in Holstein High.

As we seniors leave our Alma Mater, we would like to express our gratitude to Mr. Hompland and Mr. Gerber, our class sponsors; and to all the other teachers for their patience and understanding as they instructed us and guided us throughout our school years. Without their help we could never have enjoyed the opportunities that we have today.
